3.2. Es gibt sicher noch mehr Möglichkeiten ...

a)

It was in June last year. I crossed the street and a car ran me over. I saw that the driver didn't stop. But a young man came to me and asked me if I was ok. I said that my leg hurt. He called the ambulance. The ambulance came quickly. They took me to the hospital. After two weeks it was over and I felt better und could go home. I was very, very lucky that the young man called the ambulance.

b)

I would like to start a chocolate restaurant. I really like chocolate and would like to be my own boss. It is also interesting because you meet new people every day. I also like cooking. In the winter I would offer hot chocolate and in the summer I would offer cold chocolate drinks. I would be successful because people like warm drinks in the winter and cold drinks in the summer and many people love sweets and give them as presents.

c)

I don't get much pocket money because my parents don't have a job. Some of my classmates get more money than me. My parents say that I can work or I can save if I want to buy something. It is only 10 Euros a month. Sometimes I hand out newspapers. But it is very hard to get such a job. It is not easy to get a job in my city. I would like to buy a computer and a stereo.
